The Morning of Life. Dow Jr. describes life at twenty in the fol-

wing unique manner:

"Friends, at twenty we are wild as parteridges. There's no such thing as taming us; we ride that fierce, fiery, headstrong animal, Passion, over fences, ditches, hedges, on to the devil-leap the five barred gate of reason without when he threw it away.

Capt. Kelly stated that the editor of the New Orleans Delta, Mr. Sigur, was instrumental in persuading him to join the expedition, having addressed him personally upon the subject. He had reason to believe that he persuaded many others also. The whole party manifested much indignation towards Gen. Lopez and Mr. Sigur, and many of them asserted that it would be and many of them asserted that it would be considered by the latter if they should live to return that the gensel Municipal have decided that the church which was devastated shall be given up to the latter if they should live to return that the gensel Municipal have decided that the church which was devastated shall be given up the latter of vinegar. You ing his discourse, and taking him by the hand touching the curb of destruction or pulling hardworse for the latter if they should live to return home. On being told that Gen, Lopez was taken prisoner, a cry of joy and exultation ran take care of that flock—a pious zealous young gizards have softened into perfect jelly, and set-In the department of the Seine et Loire there know how you feel! you feel as if you would are five evangelical congregations, whilst three like to soar from star to star ! kick little planets years ago there was not one Protestant. I have aside, take crazy comets by their blazing tails, preached there many times, particularly in Mezieres and Gomecourt. In Mezieres the Conseil Municipal and the Mayor have all embraced Protestantism. The Prefect accused them a watch chain, and then dive into the golden of being Socialists, but some weeks after they aun-set sea and sport with the celestial syrens, of Mezieres takes a great interest in our schools; ransack all creation, knock a few pains out of he examines the scholars and instructs them the heavens, and then flutter down as gentle as himself in the art of composition. I must tell a breeze and find the darling object of your lave
